

# Let's get started.

1

Pick a spot and plug Nest Cam into a power outlet.

2

Download the Nest app on your phone or tablet and create an account.

3

Tap the plus sign to add a product. If you don't see it, tap the gear icon.

Now follow the instructions in the app.

Learn how to install safely at [nest.com/setup/nestcam](https://nest.com/setup/nestcam)
