The simplicity of touch.
The power of Harmony.

Now entertainment control is as personal, powerful, and easy to use as your smartphone. Access all your entertainment with simple swipes and taps on a large, color touch screen. Touch an Activity like “Watch TV” or “Watch a Movie” and the right devices switch to the right settings. You can even customize the touch screen with frequently used commands and Favorite channel icons for ultimate control over your home entertainment.

**Controls up to 15 devices**

### Feature at a Glance

- **Swipe-and-tap color touch screen**
  - Change Activities, channels and volume plus control playback with a simple swipe or tap of your thumb
  - Vibration feedback tells you a command is received so you can keep your eyes on your entertainment

- **Customizable control**
  - Personalize the touch screen with up to 50 Favorite channel icons*
  - Organize and re-order buttons, Activities and channel icons right on the touch screen

- **Easy navigation, even in the dark**
  - Motion sensing backlight—screen and keys automatically light up when you pick up the remote
  - Touch screen number pad for a streamlined layout with fewer buttons

- **World’s most compatible**
  - Harmony supports 225,000+ devices and 5,000+ brands
  - Online database makes it easy to add commands for new devices you buy in the future

- **Power at the ready**
  - Included charging station keeps Harmony Ultimate One fully charged and easy to find.

- **Quick and simple setup**
  - Just connect the remote to your computer, go to setup.myharmony.com, and download the commands for your devices.

### What You Need

**Required for setup:**
- **Windows-based PC**
  - Windows 8, Windows 7, Windows Vista, or Windows XP

- **Intel-based Mac computer**
  - Mac OS X 10.6 or later

- USB port
- Internet access

### What’s in the Box?

- IR-based remote control (with rechargeable battery)
- Charging station
- USB cable
- 1 AC adapter
- User documentation
